

PowerPick *Player's Club* Goodtimes

Bringing You the Latest News, Winners & FUN!

Letter from the Founders *Andy & Judy Amada*

Happy 2022 to one and all! As we begin another year, our goals remain the same. Win, Win and Win some more. How's that for a resolution? We also have some plans to make our EZPooling website even better. Stay tune for updates. I know it seems hard to believe that it can be any better, but that's the mission.

Now remember too that if you're looking for some 'daily action on ways to win', EZPooling is the place to be. If you haven't discovered this or think that the internet is nothing you want to mess with, we are here to help you navigate your way through. We have talked to many with this exact mindset and we have changed their minds. So don't fear it. Embrace it, and we are more than happy to help.

You may have noticed some of our recent advertising. Small businesses need to keep advertising. It takes money to make money and all of that. But the more players we have, the more tickets we buy, the more we win and the more pools we can offer. We also want you to know that we very much appreciate your support and recommendations to others, as it all helps further the club's growth.

Another thanks is for the feedback we receive. Your feedback has contributed to some excellent enhancements. So if you'd like to see something, please let us know. We're listening.

Another year-end topic that we would like to mention are unclaimed prizes. Based on reports, we know that MILLIONS of dollars go unclaimed each year. And they're not just small prizes either. One prize was a Million Dollar Winner! For example, in fiscal year 2021, about \$16.5 million went unclaimed, according to lottery officials.

We've been asked where the unclaimed prizes end up. Well, some of the unclaimed prize money goes to several organizations and the rest is used to fund prizes for new games. While that's all well and good, and even understandable that a player forgets to check tickets, etc., that NEVER, EVER happens when you pool with PowerPick. Our fabulous computer program knows right away if we hold a winning ticket, whose name is one it and how much your share is. It is so slick and so reliable. Aren't you glad you play with US?!

So as we enter another new year, you can still count on us to make your lottery play easy, convenient and the best way to increase your odds. And we hope to count on you too because we've got strength in numbers and together we can't miss! Wishing you a Happy, Healthy and WINNING New Year!
