

PowerPick *Player's Club* Goodtimes

Bringing You the Latest News, Winners & FUN!

Letter from the Founders *Andy & Judy Amada*

Welcome to another SIZZLIN' summer. We think that winning a COOL million \$ or more would certainly get our mind off of the temps! We bet you think so too!

By now most of you have heard about the BIG MEGA MILLIONS JACKPOT WINNER in Arizona. It is Arizona's first Mega Millions winner, and boy, what a way to start the ball rolling, huh? \$410 million is not too shabby!

Congratulations to the lucky couple who won it all! They have chosen to remain anonymous. We can't blame them. Now might be a good time to mention that WHEN a PowerPick Pool hits a BIG ONE, you too can remain anonymous. A relatively new rule in Arizona allows all winners to choose that option. Make a note!

While lottery odds are tough, somebody DOES win. We feel that it may as well be YOU. Afterall, you likely have more chances working for you than any other individual playing on their own. It's the beauty of pooling.

So many of you have discovered the ease of joining a pool via our EZPOOLING.com website. Here you can order any time, any game and any group size...or even multiples of those. You can also play for a week or a month at a time. And are you familiar with our Bonus

Referral program? Just tell a friend about EZPooling and give them your ID#. We start them off with a FREE pool to see how it all works. Once they start playing, you can earn up to \$50 for each referral...unlimited! Our program automatically starts adding to your pooling account when your friend(s) plays. Check it out on the EZPooling website. It's the best referral program on the planet...in our humble opinion!

Summer is upon us and still the world looks like a different place. We hope you are all staying safe, staying well and staying sane. While the formal lockdown has ended, the fears remain, some more than others. We are all trying to stay positive and rely on the strength of our fellow Americans to overcome what's happening today and what lies ahead. Here's to resilience, common sense and perseverance!

Please keep playing. Lady Luck is in the area!!! We truly appreciate your support during this pandemic and ALWAYS! All the best to you and yours!

The Fantasy 5 game continues to be an odds on favorite for winning. Two more near misses in this past month. In case you're keeping track, that's **THREE Fantasy jackpots and 340 second place prizes**. And here's a cool fact too. Of those 340 second place prizes, **NINE** of them have included the "Doubler" option which turned those \$500 winners into \$1,000!! Remember too that Fantasy 5 is a much smaller pool size of either 10 or 20 players, which gives your winnings a nice little bump! Currently we purchase this game six days a week. **Jump in any time!**
