

PowerPick Player's Club Goodtimes

Bringing You the Latest News, Winners & FUN!

Letter from the Founders *Andy & Judy Amada*

And yet another trip to lottery headquarters to cash in a winner! Swell, huh? We've got the routine down pat. Now we just need those numbers... ALL OF THEM...to line up for us. If you're keeping track, we have now missed The Pick jackpot a total of 77 times! Crazy, huh? One of these days...BAM...Bullseye! Stay tuned and we hope YOUR name is on that winner's list!

As mentioned in the last newsletter, Powerball is adding another drawing night beginning on August 23. While we do plan to offer tickets on Mondays, we want to see what kind of interest there is before committing to the number of tickets/pools we will make available. Initially, if you want to play on Monday nights, you should log into the EZPooling.com website to participate in a Monday night pool. Then we can see how much interest there is and can add more pools accordingly. Make sense? We don't plan to add the 3rd night to monthly plays automatically, but will do so by request.

Recently we sent out some cards for you to hand out to friends, acquaintances, or anyone you know who may want to increase their

chances when playing the lottery. When you hand out these cards, you should put your ID# on the bottom in the "Promo code" space. That way, when anyone plays, using your ID# as a reference, YOU will earn \$\$\$. Up to \$50 for each referral and that includes any and all referrals. Unlimited. So keep a card in your wallet

because you never know when you'll run into someone who may be interested. If you would like to receive more cards, please let us know. We are happy to oblige.

We are always looking to add more ways of making you a winner! Daily, weekly, monthly pools, Scratcher pools and weekly contests. We look forward to finding many more! Thank you all for your patronage!

Check out all the winners on the next page!
