Bringing You the Latest News, Winners & FUN!

Letter from the Founders

Andy & Judy Amada

Tra-La-La, Spring has sprung! In many parts of the country, that's good news. Here... well, unless you like it HOT, it's not so exciting. We think we should set our sights on that BIG jackpot winner before the summer heat hits and then we can park ourselves wherever our hearts desire during those sweltering months.

One thing we do like though is RED HOT Jackpots, and we've seen a few in our time. While it's always exciting and really ramps up the dreaming, let's be real. Would you EVER turn down a \$40 million jackpot? Or a \$1 million jackpot? Either would we. So remember. Consistency is the name of the game because who knows when that lucky day will arrive. We are going to just keep at it and one of these days...BAM...there it is! So keep the faith, stay tuned and enjoy the ride. Plenty of smaller prizes for each and every drawing too.

Remember, if you know anyone who would like the convenience of playing the lottery from their home and at the same time improving their odds of winning, just send them to EZPOOLING.com. Give them your ID number as a reference and you will receive \$\$ each and every time they play. We will give you up to \$50 for each person...as many as you tell. Our computer system will keep track and automatically put the extra funds into your pooling account. What could be easier on a busy day?

While we are continuing our quest for multiple jackpot winners, we are also offering Scratcher Pools. You may call us to request one of these pools at any time or to make it an automatic part of your weekly or monthly routine. Scratchers may not always offer huge multi-million dollar prizes, but the odds are pretty good to see some nice winners. And with small pools of only 10 people, your returns are pretty good.

Some of these top dollar scratchers cost more than the average person may want to spend for one ticket. So why not go in with a group to get MANY tickets and that many more chances to win. It's been popular and fun and we will be changing up the scratcher offerings, based on tickets with the most and best prizes available.

In case we don't say it enough, THANK YOU to all of our members who have shared the dream and joined the cause of WINNING. You are among the most positive, optimistic and just plain great folks that we know. If we could win it all just for you, we'd do it in a heartbeat. And that is the thought that keeps the goal in front of us yesterday, today and always!

Just a Thought...

The Winners Keep Coming You Can Bet on it!

Just a few weeks ago we had another close call! On February 21st we missed hitting the \$196,000 Fantasy 5 Jackpot, by only 1 number!!

That makes 335 misses by ONLY 1 number!! But we have won the Fantasy Jackpot 3 times!!! and we're now looking for our 4th win.

In the past year, we also just missed \$14.6 million by 1 number in The Pick and \$137 million by just 1 number in Mega Millions.

Be with us when it happens!!!

NEW SCRATCHER Pool!!!

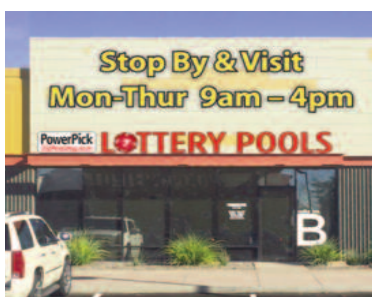

**More Tickets - Lower Prices
More Winners - More Fun!!**

As you likely know, our Scratcher Spies are always on the lookout for the scratcher that offers the most winners and best odds. Each month new scratchers become available. While they don't always meet our high standards (ha ha), we have spotted a couple that we are highly interested in.

Currently we are trying our luck at a lower priced ticket that seems to have MANY tasty prizes available. The Triple Red 7's has 15 \$100,000 prizes and 18 \$10,000 prizes, as well as many other available prizes. So hop into a scratcher pool by responding to our weekly Scratcher Pool email or by giving us a call. We want to see your name on that Winner's List!
