

PowerPick Players Club Goodtimes

Bringing You the Latest News, Winners & FUN!

Letter from the Founders *Andy & Judy Amada*

More than ever, we hope this newsletter finds you healthy and safe. We're thinking of you and yours, and we are thankful to have you as part of our PowerPick Family. Hard to believe that in our last newsletter, there was no mention of the virus. Now it's a pandemic! We have faith that we, as Americans, can pull it together and get through this. We thank you too for hanging in with us and playing the state lottery games. The convenience of it all has helped many who still want to 'take a chance' and play the games. We truly appreciate you and wish you all the best during this strange time.

This also seems like a great time to say thank you to the unsung workers at gas stations,

pharmacies, grocery stores and delivery people. And God bless the first responders, the health care workers, those who have come out of retirement to help, the fire fighters and the police. Also, the people in every community who have pulled together to look after the suddenly vulnerable with food, medicine or a phone call.

Of course, we have to keep the faith and hold on to our common sense. We see miracles every day all around us. Look for them. They are there. We are lucky enough to be able to take your orders via the internet, which has allowed us to keep going. Of course, YOU are all a big part of that as well. Really, perhaps what we need now more than ever is escape. We hope we can provide just that. Each and every one of you and yours - Be well and be safe!
