

PowerPick *Players Club* Goodtimes

Bringing You the Latest News, Winners & FUN!

Letter from the Founders *Andy & Judy Amada*

Hey! Weren't we just toasting the New Year? Time flies...whether you're having fun or not! However, we ARE having fun...dreaming about jackpots and collecting some winners along the way. More and more people are finding out about the ease of pooling with others and the many benefits too...mostly more chances of winning than any other way of playing! Weekly games and other options keep the fun going.

Here is the latest news from the Powerball folks. Beginning in August, Powerball will add another drawing night. There will be an additional drawing to the game on Monday nights. So now, three times a week to strike it rich... Monday, Wednesday and Saturday. The folks at Powerball are looking for faster growing jackpots and more cash winners, and we will make Monday night Powerball available to you as well.

If you have an automatic play, you can keep everything exactly the same, or you may add a day. Monday Powerball pools will also be added to the EZPooling website. Details will be available, as we get closer to August. No rule changes or changes in the cost of a Powerball ticket are expected. So there's something for you to chew on for a while. We'll be chewing on it too. HA HA.

Fantasy 5 and Scratcher pools continue to be winners for our members. Of course, these are the games with the best odds, so we keep

the pool sizes small and expect LOTS of winners. As you know, we have had three jackpot winners in Fantasy 5 SO FAR, and many winners in the scratcher pools. Any kind of win just makes us want MORE, so that's the plan... to keep on winning and one day soon, Win BIG.

As for those big jackpot games, we still believe that consistency is the name of the game there. We would all hate to miss out on a BIG WINNER. With every trip we make to lottery headquarters, we always tell them, "We'll be back!" We are happy to take the role of 'regular lottery winning collectors'!

Here is to a calmer, cooler, more peaceful summer with those you love and those you've missed seeing. We have many reasons to be hopeful and remain hopeful for that big celebration party for our members too! Stay safe and keep smiling!

Just a Thought...

The fact that Kansas and Arkansas are pronounced differently bothers me way more than it should.

Is the "S" or "C" in scent silent?

The word "queue" is just a Q followed by four silent letters.

The Arizona Lottery offers many ways to cash in on second chance type drawings. Whenever possible, we do enter scratcher tickets for a chance at winning more prizes. Currently there is a Million Dollar Giveaway that we are entering. The final entry date for this is May 31. It would give us the greatest pleasure to announce winners in this contest. If any of our tickets get drawn, rest assured we will notify winners straight away. Definitely the best part of the job!
