Goodtimes

Bringing You the Latest News, Winners & FUN!

Letter from the Founders

Andy & Judy Amada

Time for holiday joy and merriment once again! And speaking of joy and merriment, the November jackpots were astounding, as you know. Record breakers right and left, along with plenty of excitement, shared dreams and new members as well. Arizona had a number of million dollar winners in this run and so we know that Lady Luck is 'in the neighborhood'. While the Jumbo Jackpots are understandably exciting, who among us would turn down sharing a 'measly' \$40 million prize...or even a \$1 million prize?

We also had a lot of people going to the EZPooling website for the first time to try their hand at ordering online. Hats off to all of those who are leery of technology, but took a crack at it anyway...and succeeded. Slick, isn't it? Remember that you can order multiple selections, but must order them one at a time. The program checks each order to ensure that you have no duplicate numbers, so that's why you order them one at a time.

As with all businesses, we are always looking to improve things for all of us. Therefore, as of September 30, we closed our Christown/Spectrum kiosk location. We were there for five great years, but it was time to expand our marketing footprint. To that end, we have begun to do some social media marketing, and have welcomed many new members and some returning members as well. We are celebrating our 24th year at our main location on 24th Avenue and

invite all of the kiosk customers to come visit us so that you can continue getting the most bang for your lottery buck.

The scratcher pools continue to be a fun addition to our basket of lottery offerings. We offer pools of the high dollar scratcher variety so that you can share the cost and share the winnings. Currently we are featuring the \$30 Royal Millions scratcher, as we have determined it has the best odds of the big dollar scratchers. Once those big prizes are won, we will likely offer the next \$30 ticket. Remember these are small groups of 10 so winnings are decent for sure. If you haven't tried it, think about jumping into one. We offer them once a week and you are invited to join in once or twice or however often you like. Totally up to you.

We wish you and your families a joyous Holiday Season and a Winning New Year. We are grateful to all of you and we thank you all for your past patronage and for sharing the dream of a jackpot winner. The odds are tough for sure, and yet somebody DOES win. It may as well be YOU. After all, with pooling, you have more chances than most! Best Wishes from all of us for a Blessed Season.

Just a Thought...
