

*Bringing You the Latest News, Winners & FUN!*

**Letter from  
the Founders**

'Tis the Season for family, celebrations, parties and WINNING! Okay, admittedly we are ALWAYS up for winning, but a holiday win would sure make it all the more festive, right? Let's do it—together! When it comes to playing the lottery, players look for ways to maximize their opportunity to win and EZPOOLING is the answer. The dream of winning the lottery is often about more than just the money. It's about the possibilities it brings. Pooling makes it a collective dream, with everyone working toward the same goal. And, as you know, we do it ALL for you. We find lottery players, purchase the tickets, collect the winnings and send checks. All you need to do is cross your fingers. How easy is that – especially during a busy holiday season. So don't miss out on your chance to win. PLAY!

Many of you have heard rumblings about a change in the Mega Millions game. The price is going up to \$5, which is true, but it includes several benefits. Read more information about this on the back page. Some benefits are that the starting jackpot amount will be \$50 million instead of the current \$20 million. And all prizes will be multiplied 2 to 10 times!

We continue having fun with our scratcher pools too. If you haven't tried that, you can order it online now. In addition to our regular weekly scratcher pools, we sometimes throw in a special offer with LOTS MORE TICKETS to play with. The excitement is palpable! Seriously! Stay tuned for these special offers with scratchers and we hope to add other specials as well in the coming months.

The more tickets we buy, the better our chances of winning. Pooling lets us cover more number combinations, giving everyone in the group a shot at the jackpot. So tell your friends, your co-workers and anyone you know who enjoys dreaming big for less money. Yes, we've got strength in numbers!!

We are forever grateful for our family of players who are adventurers, dreamers and all around great people. We truly want to bring home a

jackpot winner(s) and will keep that target in our sights always. Wishing you and yours a truly magical holiday season filled with kindness, love and good tidings! See you in 2025!!

## MEGA MILLIONS NEWS

More Mega information from pg1. The top prize, without hitting the jackpot, will be \$10 Million!! and the overall odds will be slightly better. If you are on automatic renewal, your price will NOT change. The number of tickets will change, but you are free to make adjustments, if you wish to add more tickets or change your play. Details will definitely follow, but we wanted you to know that we are on top of it and, again, nothing for you to do. We are busy doing programming, etc. to get everything ready for you so the change will be seamless. We will say though that pooling is now a better idea than ever! That's. A. Fact!
