

PowerPick Players Club Goodtimes

Bringing You the Latest News, Winners & FUN!

Letter from the Founders *Andy & Judy Amada*

Ahhh, September. Football, cooler nights, pumpkins, caramel apples and...Jumbo Jackpots to conquer! That's our wish list, but most certainly not in that order.

We've had a really great run of wins here lately and it just puts us in the mood for more, more, more! We are adding new players every day and more players means more tickets and more winners! If you haven't told a friend about PowerPick Players Club lately, give it some thought. Remember that you can earn up to \$50 for each and every person you send our way. Every time they play, you earn \$\$\$. What a concept, huh? To find out more, go to EZPooling.com and click on the "\$50 Referral Bonus" red bar.

And speaking of free stuff, please remember to enter our "Free Weekly Giveaway", which is another one of those red bars on the ezpooling.com website. You may enter this contest once a week. If you forget if you entered already or not, no worries. The computer keeps track. You may choose from 1 of three giveaway prizes. 1) \$20 worth of scratcher tickets, 2) a \$20 Prepaid gas card from QT quick trip or 3) a \$20 free play credit. The computer chooses a winner randomly every week so you can enter each and every week with no restrictions on how many times you can win.

So the goal of the club is clear, add some fun and excitement while on the way to winning one or more of those BIG prizes. We all play because you truly never know when those numbers will line up for you, and because, you simply have to play to win and pooling gives you the absolutely best shot.

We are always on the look out for more ways to win and to make more winners. Many of our 'ideas' have come from players just like yourself. Feel free to share any brainstorm that comes your way. We may just give it a try. Remember, we're all IN IT to WIN IT and with that like goal in mind, how can we miss!

Enjoy the fall and enjoy the journey. See you in the NEXT Winner's Circle!

Just a Thought...

A Positive Attitude may not solve all your problems, but it will annoy enough people to make it worth the effort.

Our latest "Biggie"

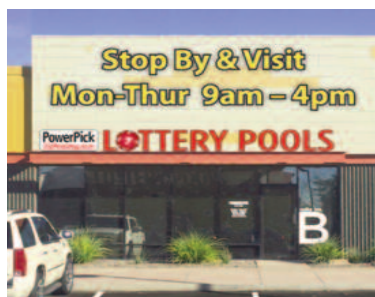

In case you missed our latest news from July 16th - YES, we matched 4 White balls and the Gold ball in Mega Millions which pays \$10,000, BUT we paid for the Megplier option on that ticket. The Megaplier was 3, **so the prize increased from \$10,000 to \$30,000!!! - Just 1 Away from \$137,000,000!!!**

And just a few weeks earlier...BAM, we missed \$14.4 million by only ONE number for a second place prize of \$2,000. And, as you all know, we also hit the Fantasy 5 Jackpot in April for \$53,000!!

Be with us when it happens!!!

SCRATCHER POOLS CONTINUE TO OFFER GREAT PRIZES!!

The current game has **FIVE \$2,500,000 prizes!!** plus over 30,000 additional prizes that will put money in your pocket. We have 2 pools - both are made up of 10 players. You can share in 16 tickets for \$49 or 9 tickets for \$29. These are \$20 tickets, so you are getting quite a bit of play.

SCRATCHER POOLS ARE FLEXIBLE!!

Since we started pooling folks for scratchers, we have always looked for the kinds of tickets that may be a bit cost prohibitive to play on your own, but also ones that offer some of the best odds and prizes.

We believe that some time soon, the Arizona Lottery will be offering a \$50 scratcher ticket. That certainly comes under the heading of cost prohibitive for some players! But oooo, what could the top prize be and what kind of odds will be offered? Stay tuned. We're on top of this and will let you know as options begin to form.

WINNERS CAN REMAIN ANONYMOUS!

A short time ago, we told you that the Arizona Lottery was adopting a new rule that would allow winners to be anonymous. Well, the bill came into effect on Tuesday, August 27. It seems that a whole sack of new rules were agreed upon at the close of the legislative session and they were scheduled to become law 90 days after the session ended. And so, here we are. When you have a winning ticket that is worth \$100,000 or more, you can be a secret winner. We think that's a great idea...although PowerPick has ALWAYS been willing to take the fame while you take the fortune.

So if you've ever felt shy about winning...cast your fears aside and P L A Y!!
