

PowerPick Player's Club Goodtimes

Bringing You the Latest News, Winners & FUN!

Letter from the Founders *Andy & Judy Amada*

Welcome to fall...well, almost. The calendar and the thermometer are always at odds in this part of the country. In the meantime, we are always after those HOT jackpots and WINNING. Lots of ways to do that with pooling, as you know.

In August, the Powerball people added a Monday drawing. There wasn't a lot of fanfare about it, so maybe you aren't aware. Change presents challenges, but we are up to it! So here is the scoop, If you have an automatic renewal selection, you CAN add a Monday Powerball drawing at a minimal cost. Remember pooling allows you to share the cost of the tickets, so you can add Monday, if you like. To do this, however, you will need to reach out to us. There are a multitude of selections and group sizes so one price does not fit all. Depends on how many tickets per night and what the group size is. So just give us a call or shoot us an email. We are happy to calculate the amount for you and then you can decide if you want to add Monday or not.

If you do NOT want to add Monday...NO PROBLEM. Things will just move along as usual. Now, if you are somebody who goes to EZPooling and you're familiar with playing for one night, you can always add some Monday tickets on your own. Maybe the jackpot is high on a Monday or maybe you're feeling lucky. You can always go into EZPooling and add some Monday Powerball tickets whenever you like. If

you do not know how to do this...JUST ASK US. Feel free to give us a call and we will be most happy to walk you through the process. We promise that you will be amazed at the ease of it all. It really is fun! Andy is always happy to show you the way! So, really, just call. (602-995-9200 or 800-274-7529)

Scratcher pools are still a hit. We always pick the higher priced ticket because these usually have the biggest prizes and sharing the price of these is a good thing. Those pools are only made up of 10 players, so there is plenty to share. We send out emails about this once a week and usually do about 2-4 pools per week. You may respond to the email or call us to get on the list. You can even request to participate in one of these scratcher pools weekly or monthly. And, as always, you can change that up whenever you like. No pressure...just fun!

Wishing you all a fall season full of hope, happiness, good health and WINNERS too.

We appreciate your support of our business whenever you play.

But play often, okay?

Just a Thought...
