PowerPick Players Club Goodtimes

Bringing You the Latest News, Winners & FUN!

Letter from the Founders *Andy & Judy Amada*

Summer '24 for PowerPick Players Club was "Comin' in HOT". If you're keeping score...and even if you're not...we are! PowerPick has missed The Pick jackpot by ONE NUMBER a total of 3 times, just from June through August! That brings the total of near misses to an astounding EIGHTY (80) times! Is that nuts or what? Will number 81 be the magical one? Well, you never know. All we know for certain is that...if you don't play...you can't win. How many times have we heard that one?? We know, we know, but it remains a real, undeniable truth.

Are we loving BIG jackpots or what? Yes, of course. But let's face it. The 'lowly' ONE MILLION or TWENTY MILLION is nothing to sneeze at and who among us would turn it down? Silly question, we know. We also know that WINNING the lottery is not an easy thing to do. However, where else can you spend so little though to win so much? And, of course, you all know that pooling gives you even MORE chances for less money...along with more fun. That remains our mission.

As you know, we are now offering weekly scratcher ticket pools too. This really sets us apart as it's something that's not offered anywhere else. Aside from the weekly scratcher pools, we have tested some very special occasional pools that offer MANY scratchers, say 25 or 50, but the group size remains small at 10 people. We want you to know that we are truly and constantly rooting for your success. It's a site to see when we

redeem the scratcher tickets. Which group will do better and how much can we win. It's a bit of a competition to root for each group and see who can top who in winnings. Just so you know, even if the participants are not in attendance, we are there for you, as a proxy, clapping and high fiving. If good vibes can make it happen...we'll get it done for you!

So we do it all for you. We purchase the tickets, redeem the winners, add the winnings to your pooling account and are happy to make trips to Arizona Lottery Headquarters to collect the bigger winners. You may have seen our pictures on the AZ lottery website for some of the winners we have collected. When we say, "all you have to do is cross your fingers," we really mean it. All part of our service and we love doing it for you.

In case you missed it last time, we are starting to look into helping groups with fundraising via lottery pooling. If you are a member of a group that is looking into fundraising or already does fundraising, please give us a call to find out how we can help you with this, at ZERO cost to you and your group. It's an exciting way to raise funds, while at the same time giving your funding members hundreds of chances to win big. We want to help too, and we think this is a slam dunk for anyone looking to raise money.

So as we begin to imbibe in those pumpkin lattes, or whatever signals the beginning of fall for you, remember to jump into a lottery pool anytime, anywhere with the EZPOOLING website. Whether you have an automatic selection or play on a daily or weekly basis, keep that toe in the water and we will do our darneest to bring home a winner!! Happy Fall to all of you!!
